**Hustled into a small corner with oversized instruments**

Jazz songs made in the /  
desert are guaranteed to /  
kill COVID 19 -20

He left his job of /

Sesame Street jazz to taste /

Europe & tomorrow

Dizzy was his big /

gateway jazz drug that has gone /

on for many lives

His idol Bob Berg /

showed him skies without clouds and /

grounds without pebbles

Kansas City sang /

him a song he couldn't shake /

as nirvana reigns

Milt Jackson is an /

orbit that made him an full /

spaceship on good drugs

Post COVID for him /

will be a gun shot in pure /

enriched air silence

Betty the blues gal /

is a legend that now will /

not die an unknown

This time in history /

happened never as music /

beats the damned virus

She always knew she /  
would sing for the rest of her /  
life to all of earth

Pandemic fingers /

and nimble keys as the jazz /

gets reinvented

His change is like a /

water healing virus earth /

as jazz in vials

Seeking Chick live was /

the the space ship that took him /

of 1 music earth

We found who caged the /  
jazz bird and it was the man /  
with horn in gold mask

She caught Sonny live /

and made Canada a lead /

sheet with her future

Spanish shouts in a /

jazz dream as he wishes on /

more music & forever

Swedish club owner /

plays the horn and fixes all /

jazz riddles quickly

His church is jazz as /

god calls him on the phone for /

his best new version

Old brick house Jams in /  
firehouse symphonies as /  
the solo is forgot

Unexpected riffs /

of life became the only /

way he learned music

Heaven to him out /

of hell as earth became the /

only place to dig

Traveling the globe /

was his only option as /

the car stalled in finality

The piano was /

her best jazz lover in a /

world of big divorce

Famous uncles led /

her jazz chops to any place /

she could sing out of

Performance is the /

first and last note that she would /

fall in love with

Kansas City taught /

him that New York would be a /

worthy paradise

He records his soul /

like a glass blower makes the /

windows to forever

His advice to the /

young jazz cats was to forever /

avoid that 2020 year

Orrin and his need /

for a bad plus led him to /

worlds beyond mere math

His silver lined jazz /

road is a wold that forgets /

that thing we know as COVID

She dresses for the /  
piano jazz gigs like she's /  
gonna dance non-stop

Los Angeles jazz /

dreams ride music metaphors /

like there is a meaning

The late jazz bloomers /  
are the ones that keep the big /  
dream rightly fertile

Tears of all the 2020 /  
musicians keep the cacti /  
sharp and big vital

Etta James was the /

show that made him believe in /

the jazz miracle

Post COVID vocals /

float up like big butterfly /

blobs fulla futures
