Hello dear Friend Joey,
how are you doing? Is it cold over there? Here it's really cold, especially in the morning when I have to go to work, I think it's going to snow in a couple of days, I sincerely hope so.

Yes, you are right about the darkness of the day, we usually have night at 6:00 p.m. that's incredible, because you can't do nothing, the only way you have is go at home and watch TV, that's so boring!

School is good, that's my last ~~day~~ year.

then I'll look for a full-time job, I need to be independent, so I can do what I want, I mean, if I want to buy a dress, I'll buy it.

The thing I would like to taste from USA is apple-pie, I never tasted it; I usually like apple like fruit, so I think I'll like it.

Canada was good, but too cold in August, you know I don't like cold, I was dreaming California in that period, ah, ah.

I always forget to ask you this question: Is there some things I can do for you and the newspapers? Articles, pictures, etc.

JUST ASK ME, DON'T BE SHY!

Well, time to close for me, too
SAY Hi To LIZ and a big hug to you
and Family.

All the best
Your Italian friend,
Deborah
