Dear friend Joey,  
how are you in  
the beautiful  
City of Liberty?  
Sorry if my handwriting  
is very bad, but I'm writing  
for a train to the station and I thought  
to write a line.

As usually I'm in late, but you know that  
even if I write you in late I NEVER forget you,  
you are my best friend.

I heard about Colorado, they have wonderful  
places over there, but I would like to  
visit your places, so I PROMISE you that  
in my next trip to USA I'll come in  
Liberty to see you, so I think it will be next  
year, 1995. Would you like to see me??  
Don't speak about World Cup, I'm so

- 2.

unhappy about this, we lost a stupid match with BRAZIL, the reason is that RBaggio was not in good conditions; I'm sure if all was OKAY, we were Champions. SIGH!! I was crying (don't think I'm stupid!).

Did you know that an Italian team bought an American player named "LAMAS"? They said he was one of the best in the Cup. Rollerblades is not so popular in Italy as in USA, however young people loves to buy it, I think it's growing!!

Well the man announced my train, so I have to go, don't be ~~be~~ angry to me if I wrote only 2 lines.

All the best From my parents and a big HUG From your Italian friend,

P.s: Write AS SOON AS POSSIBLE, I CAN'T WAIT TO HEAR FROM YOU.

Deborah
