Dearest Joey,

First of all, I want to thank you for your sweet letter and the very good articles you sent me. It's very interesting to read them, you are a good writer, but I think you know this, and is not important I often tell you, right?

Weather here is not so good, usually in this period often rain and I often am bored staying at home for all the evening.

So your dad made lasagna, that's really good. I would like to taste it, maybe they're better than an Italian hand-made, right? Was it good?? Did you know "TIRAMISU"? It's a kind of cake with strong coffee, mascarpone cream, eggs, sugar and sweet biscuits, it's lovely.

I usually make it for my restaurant, and Italian people drive crazy for it; eh, if you go out in a restaurant (Italian) and you find TIRAMISU try to eat it.

I really would like to meet you, but I don't know if I can come to USA again, I need a lot of money to come and..... well, maybe next year; however if you can come in Italy I'll be very proud to show you all around my town, I also have driving licence, so it's a joke!!!

Well, if you say that "Fettuccini Alfredo" is good, I will taste when I'll be in USA next time, so I'll tell you what I think. ok?

I don't think Italian team will make a good job in USA this year, they are very bad and many problems in the team, I guess they earn a LOT of money, so they don't care to play good, you know what I mean.

By the way, last week an American Soccer team went to eat in my restaurant, they played in Italy (Florence) some match; they were from Utah, North Carolina, Florida California etc...

I went to HARD ROCK CAFE in New York, and it's..... FANTASTIC CRAZY, SUPERB!!! Tell me about Chicago. Thanks for the bad words, they'll help me in some occasion, who know.

Well time to close for me too I want to thank you for the letter again and TAKE CARE.

All my love,

Deborah
