

Castelfiorentino, 2nd October, 1993

My dearest friend Joey,

How are you doing in Liberty? Here right now it's raining very hard, I really should say that summer is end, I'm so sad!!

However, I would like to thank you for your lovely letter (as usual) and for the very interesting articles you sent me.

You write very well, hope you can have success and maybe work for "USA Today", Why not??

I guess you had a wonderful holiday, I also had fun, I went to Canada for 10 days, exactly in Montreal and 7 days in New York. I prefer USA than Canada, in Montreal it was really cold, while in N.Y it was F. 100°. Too hot!!

Oh my God!! You should be very unlucky! Also my brother had a unlucky time, a robber stolen her radio-car and broke the window, he had

RAYBAN glasses @ inside. They discover with the the
con-radio. I can't understand how people can
do this, do you?

Ehy, Joey if you have articles, (even if they are
old) please send me, I'll be honored to read
them. Thanks.

OK, It's time to close this letter, I have to go
shopping for diner, I have to buy spaghetti, I'm
going to cook spaghetti sauce, do you like it??

Well, A big HUG to my best American
Friend.

Give my best to your family.

All my love,
Deborah
