

Castelfiorentino, Sunday 18th, Sept.

Dearest Joey,

how are you? I'm doing not so good, right now I'm sick. I had Fever and I Felt very bad. It's one week I'm From Los Angeles, I don't know if you got my postcard, I hope so.

I was in New York for 1 week and in Los Angeles for 2 weeks, then I visited SAN Diego for 2 days. I really had fun.

Next time I'll be in USA, For sure I'll visit you in Liberty, it's long time we'll write each other and we need to know each other, right? I'll be happy to see your family, Liz, your friends and the city.

Thank you for the lovely postcard you sent me; I saw you travelled a lot in this summer, did you have fun, I guess you did.

I heard about Springfield, is it a beautiful city? Is it very far from Liberty? Sorry for all these questions but I'm too curious about USA and I would like

to see Missouri.

Is Liz your girlfriend now? I ask you this because you

said you went to Camping with her and another couple.
Is it OKAY for her I'll come to see you? Tell me!!
I don't want to ~~create~~ make problems to you, hope
you know what I mean.

I was crying when Italy lost the World Cup, and I think
Italy could win, but Baggio was not so OKAY.

Well, thanks again for everything's, I'm sorry I didn't
write longer and with a good handwriting, but
I don't feel so good, so is better I'll go to the
bad again.

Thanks for compliments. I thought to call you from
L.A. but my shyness allowed me, I'm sorry,
I feel a little bit stupid.

Good luck for school!! And I'm waiting for your
articles in 2nd semester.

All my love to my best friend Joey
