Dear Joey,

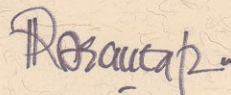

Hello ! How're you ? I'm sure you're fine . I'm so sorry to hear Liz's brother is died in accident . May God will bless him forever .

I have had my vacation since June 12 to August 19 (± 3 months) . But in my vacation , I was so busy to register in University / college and prepared my entering test to the university / college . I'm accepted in the University of Indonesia - Jakarta . I'm majoring in Faculty of Law . University of Indonesia is the best university in Indonesia and belongs to Education and Cultural Department .

By the way congratulation for your hockey team (The Kansas City Blades) that won the highest honor in hockey . But it's a pity I don't know much about hockey . I think basket ball is the most popular sport in your country .

Well see ya . I will wait your letter and your experiences . Good luck in all

Sincerely

Titut R
