Dear Joey,

I accepted your letter on December 9, 1991 and you sent me a letter on October 27, 1991. It took 6 weeks to send a letter from USA to Indonesia. Usually your letters arrive at me for 10 days until 2 weeks. There are 4 stamps on the envelope. There are "MISSENT TO NEW YORK", "MISSENT TO BANGKOK", "MISSENT TO S'PORE" and "FOREIGN". It caused you didn't write "INDONESIA" at my address. I hope you won't do that mistake again.

Did you have a birthday party with your friends to celebrate your birthday? I think you really enjoy your study and your friendship with a lot of great people on campus include Elizabeth. Is she your girl friend? Would you mind telling me about her?

The last, I'll wish you MERRY CHRISTMAS and HAPPY NEW YEAR!

See ya,

Titut Rosawati
