Dear Joey,

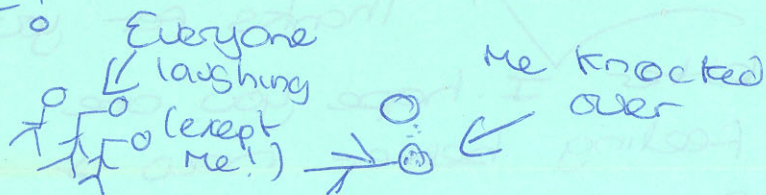

Thanks for your letter. I hope you are feeling better now & can once again go in activities. Me. I'm not a sporty type! I'm just lazy.

Did you have a nice birthday? It's not fair that you can drive at 16! My test is Nov 30th - I'm
Soooooo Scared!

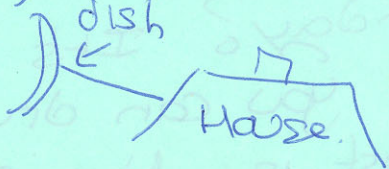

I'll crash
in to a tree

I don't really watch football, except for the world cup. but I do like to play - Just for fun, but I'm always the one the ball decides to hit!

We do not have Cable TV. If we want Sky TV we have to buy a dish to get it.

We do celebrate Halloween. I love it! Parties etc. Do you also celebrate

Bonfire Night on Nov 5th. That's a good night.

bye for now

Joe
